WHY MODULAR?

Whether you need additional space to accommodate a growing student population, temporary classes during a school renovation or extra room for social distancing, modular classrooms from WillScot can help.

01.

Minimal Disruption

Modular classrooms and administrative buildings can be installed in as little as a few days, so disruption to learning is minimal.

02.

Site Flexibility

Modular buildings can be installed almost anywhere, on any firm surface. Whether a parking lot, a soccer field or an open space adjacent to existing school buildings, you can keep students and teachers together on campus and engaged in school programs.

03.

Right Size Space

Modular buildings are easily added, expanded or removed to meet your changing needs, so you pay for the space you need and nothing more.

04.

Everything You Need In One Space

WillScot has everything you need to start instruction on day one, from entry steps and ramps to prewired data hubs to desks, tables, chairs and more.

+ OMNIA PARTNERS COOPERATIVE PURCHASING AGREEMENT

WillScot buildings are available through Omnia Partners Cooperative Purchasing Agreement – the joint purchasing agreement that makes leasing even easier.

- Preset low rates – skip the negotiation
- Predefined purchase / lease processes
- Easy application process for non-members
